Subject: AGM.

Gentlemen,
The minutes of today's AGM.

1/ Phil's report.
He congratulated Puttenham for winning the league and Farnham for coming second.

The fixtures we're given for the next season.

Phil pointed out that the league started in 2004 and that the next season would have been 21 years but because of covid it would be 20, he thought that it would be a nice gesture to invite Peter Holt who created this league next year's presentation day. It was agreed to invite him.

2/ Breakfast.
We discussed the costs, as this is out of our control and that costs are rising we would try and keep it to £12 50.

3/ match fees.
Ian ask if we should raise the match fee to £2.
After a lot of discussion it was agreed to keep it to £1.

4/ pairings
It was agreed that if possible we would try and keep the pairings the same for home and away.

5/ team sent the day before the match.
After some discussion the vote was split, I with the casting vote invoked the status quo.
So we still do the pairings and handicaps on the day of the match.

6/ handicap allowance.

It was agreed the the maximum course handicap will now be 20 making the playing 18.

7/ prize money.

£ 160 for prizes on the presentation day, £200 for the winning team and £120 for the runners up.

8/ next year's AGM and presentation day will be at Guildford .

Regards

Dave, Phil.
