D

Gentlemen

Here are the minutes of the AGM.

1/ Phil's report.

He welcomed Petersfield to the league and congratulated them on being joint winners in their first year.

He then thanked all the organisers for their prompt notifications of the results and then went on with the fixtures for 25 -26 season.

In conclusion he gave a brief history of the league.

2/ Guildford

Whether it is mandatory for team selection to be kept secret until the match day.

This was discussed at length and it was decided that it needed a new rule, which was voted on.

The result 4 in favour and 2 against.

The new rule which replaces rule 2 will now read.

The format is 4bbb match play with both captain's presenting there teams on the morning of the match.

Everyone to use the IG app with both captain's agreeing the shots.

3/ Guildford

Does there need to be a tie break in the rules for a winner because of this year's result.

It was decided to invoke the status quo and leave the rules as the are.

4/ Cowdray

Keeping the teams the same for both matches.

It was agreed to change rule 6 .

This will now read.

Each team to play home and away with the best endeavour to keep the sides the same both games.

5/ Farnham.

Last year we discussed the cost of the Breakfast.

Jim pointed out that even with the costs rising across the board it still was great value for breakfast And golf.

It was agreed to try and keep the cost down

.

6/ Prize money.

£200 for prizes at the presentation day.

£200 to each of the winning teams.

Everyone thanked Jim and Paul for their hospitality and also myself and Phil.

Next year's AGM and presentation day will be at Cowdray.

Could you all please give Paul the names and handicaps of your 6 players a.s.p.

Regards

Dave
